Edgefield County EMS serves a population of approximately 27,000 residents within 507 square miles. We currently staff three Ambulances 24 hours a day on a 24/72 rotation. A Continuing Education Program is offered on a monthly basis. Edgefield County offers competitive wages commensurate with qualifications and experience.

Part -Time and or Full Time Positions will be considered.

The mission of Edgefield County EMS is to provide comprehensive, quality and appropriate emergency prehospital care to all people in a professional and caring manner.
