and others were able to watch live on YouTube or can watch a replay at any time.

Chairman Cooper called the meeting to order.

Ms. Gilley told Council the agenda listed one item of business. She said it would be to test Zoom with all of Council and that due to having a quorum, having a meeting was the only way to have this "test" meeting.

Councilwoman Kennion asked that Chairman Cooper give a prayer. Chairman Cooper opened the meeting in prayer.

Council decided they would vote by a show of hands at the meeting to be held on Tuesday, May 5, 2020.

Chairman Cooper asked if anyone had trouble signing in or if they needed help working any of the features they would need for the meeting on Tuesday, May 5, 2020. Everyone seemed to think they would be able to join the meeting without any trouble. Ms. Gilley told everyone that if someone felt like they needed another training session, she would be able to do those one on one on Monday, May 4, 2020 prior to the meeting on Tuesday.

Chairman Cooper thanked staff for working on the Zoom account and getting everything ready to be used for virtual meetings. He also encouraged everyone to be careful and safe during this pandemic.

Adjourn

Councilwoman Kennion made the motion to adjourn at 4:13PM, seconded by Councilman Talbert. Motion passed unanimously.
