**TO THE BUSINESS COMMUNITY OF EDGEFIELD**

This letter serves to introduce Ed Newsom of the **NATIONAL FIRE SAFETY COUNCIL (NFSC)**. Ed is working in cooperation with the Edgefield Fire Department to promote fire safety for local children. This program has been well received by the teachers and children in our elementary schools for the past 30 years.

Many of you will remember Ralph Larsen who worked for the NFSC for the past 35 years. This is the same program and now that Ralph has recently retired, Ed is our local NFSC contact.

The materials are being furnished by the NFSC, a non-profit federally tax-exempt organization, Federal Tax ID# 38-229422. We have selected to work with them because of the excellence of their materials and the ethical standards by which they operate.

The **NATIONAL FIRE SAFETY COUNCIL** is the only fire safety program for which your support is encouraged by the Edgefield Fire Department.

Your tax-deductible contribution will be used exclusively for our programs and the residents in our community.

Your support will be of great assistance and most certainly appreciated. Please make your check payable to the **NATIONAL FIRE SAFETY COUNCIL** and we thank you!

Yours in the interest of fire safety,

  
Roger Ellis, Fire Chief  
Edgefield Fire Department
