

Edgefield County Classification and Salary Survey

Request for Proposals: RFP # 08-31-21 Edgefield County is looking for proposals for a Classification and Salary Survey

Introduction

The County of Edgefield is located in the Piedmont region of the State of Carolina. Edgefield County's western border is along the Savannah River; across the river is Augusta, Georgia. Edgefield County is part of the Central Savannah River Area. The County covers a total geographic area of about 507 square miles. According to the 2020 census the population was around 25,657. The County currently operates under the Council form of government. Mr. Roger LeDuc, Interim County Administrator is responsible for the day-to-day operation of all county departments.

Edgefield County employs on average 200 employees including Law Enforcement, Emergency Medical Services, Elected Officials, Appointed Officials, professional and laborer classifications annually. The County has about 177 full-time, 23 part-time, and 17 PRN employees. The County currently has about 79 job descriptions.

Edgefield County is asking each vendor to submit a proposal for gathering the necessary information for the survey, a work schedule, past experience, references, a Certificate of Insurance (Workers' Compensation), and cost. **The deadline for submission of proposals is October 19, 2021 at 5:00 p.m.**
